1:01 The purpose of this Agreement is to establish mutually satisfactory relations between the Employer and its Employees, to provide machinery for the prompt and equitable disposition of Grievances and to establish and maintain satisfactory working conditions, hours of work and wages for all Employees who are subject to the provisions of this Agreement.

1:02 It is agreed by the Parties hereto that every covenant, proviso and agreement shall enure to the benefit of and be binding upon the Parties hereto, and their assigns, and that all covenants herein shall be construed as being joint and several and that when the context so requires or permits the singular number shall read as if the plural were expressed.

ARTICLE 2:00 - SCOPE

2:01 This Collective Bargaining Agreement shall apply to all Office, Clerical, Technical, Leisure Programming, Transit Operations, Library, Heritage and Paramedical Employees of the City of Greater Sudbury listed in Schedule “A”.

2:02 All newly proposed positions will be considered jointly by the Employer and the Union to determine if the position should be included or excluded from the Scope of this Agreement. The Union shall be notified a minimum of ten (10) calendar days prior to the position being posted. Where either Party requests a face-to-face meeting, such meeting will occur within the ten (10) day period prior to the posting of the new position. Such meeting shall not result in a delay of the posting of the new position.

2:03 Employees outside the Scope of this Agreement shall not perform the regular duties of the Employees within the Scope of the Agreement, except for the purposes of instruction, experimentation or during an immediate emergency.

2:04 When the Employer uses the services of a Temporary Agency to provide persons to perform the regular duties of the Employees within the scope of this Agreement, then the following provisions shall apply:

- (c) Where the Employer can reasonably anticipate that the need for an Agency person will exceed forty-five (45) calendar days the position shall be posted immediately.

When rules or regulations are instituted or altered, the Employer shall give prior notice to the Union and inform Employees by posting on Bulletin Boards or by e-mail notification where the Employee has a City of Greater Sudbury e-mail address. It is understood that rules and regulations shall not be contrary to this Agreement.

5:03 The Employer agrees that these functions shall be executed in a manner consistent with the terms and provisions of the Collective Bargaining Agreement and subject to the right of the Employee or the Union to lodge a Grievance as set forth herein.

ARTICLE 6:00 - GRIEVANCE PROCEDURE

6:02(9) Stage One

It is understood that an Employee has no Grievance until he/she has first given his/her Supervisor an opportunity to adjust his/her Complaint. In discussing his/her Complaint, the Employee may be accompanied by a Steward.

Any Employee's Complaint which is not settled by his/her Supervisor within three (3) working days of the lodging of the Complaint, shall then commence at Stage Two of the Grievance Procedure provided that no more than thirty (30) working days have elapsed since the occurrence of the alleged Grievance.

When the Employee returns the time period will be adjusted and the Employee advised. Should an Employee have a reoccurrence of an illness or injury within thirty (30) calendar days of returning to work that Employee would not have the benefit of the fifteen (15) calendar day waiting period. The Employee may request the presence of a Steward if he/she so wishes. A copy of a written confirmation of a censure or discipline is to be forwarded to the Secretary of the Union.

Should an Employee be placed on unpaid suspension pending investigation, the Employer will notify the Secretary of the Union and the Unit Chair.

7:04 In July of each year, the Employer will forward to the Union a list of all Employees including first and last name, current classification, employment status, home mailing address, and home phone number. Seniority for Part Time Employees shall be by number of hours worked exclusive of overtime within the Bargaining Unit. Seniority shall operate on a Bargaining Unit wide basis.

Therefore, the Parties recognize:

- (a) The right of the Employees to fair and just consideration for vacancies in light of their length of continuous service and their qualifications;
- (b) The right of the public to be served by qualified persons.

Therefore, the Parties agree that:

In promotions, demotions, transfers, lay-offs and recalls, the following factors shall be considered:

- (a) Length of continuous service (seniority);
- (b) Efficiency, knowledge and ability of the Employee, and the qualifications as contained in the Job Descriptions.

When factor (b) is relatively equal in the judgement of the Employer, which judgement shall not be exercised in an arbitrary or discriminatory manner, factor (a) shall govern.

8:01(2) Notwithstanding anything herein contained, it is hereby agreed and understood that there is no recall for Temporary Employees who are laid off under this Article.

8:02(1) A Seniority List of all Permanent Full Time Employees covered by this Agreement shall be posted no later than April 1st and October 1st of each year. The List will show all Permanent Full Time Employees within the Bargaining Unit in order of seniority stating the Employee's number, name, job classification, and date of latest entry into the employ of the Employer. The List will show each Part Time Employee's seniority as hours worked, exclusive of overtime, beneath the listing for Full Time Employees. Regular Part Time Employees shall be shown first, Casual second, and Seasonal third with each Employee's status (Regular, Casual or Seasonal), the Employee's number, name, job classification, and date of latest entry into the employ of the Employer also shown. Should a Part Time Employee be the successful applicant to a Permanent Full Time posting, a seniority date crediting Part Time seniority will be established on the Employee's transference to Full Time, based on one (1) year equalling one thousand, eight hundred and twenty (1,820) hours worked (two thousand and eighty hours (2,080) hours for Part Time Employees working under Schedule "G" and Schedule "H"). The reverse calculation will be done for Full Time Employees who bid/bump successfully to Regular Part Time Positions. Copies of this Seniority List will be posted on all Bulletin Boards and copies will be supplied to the Union. It is agreed and understood by the Parties that the Union will be supplied with a third Seniority List upon written request.

8:02(2) Should two (2) or more Employees have an identical seniority date, their seniority dates will remain unchanged, but their ranking on the list will be determined by the length of total temporary service with the Employer. Should two (2) or more Employees with the same seniority date also have equal lengths of total temporary service with the Employer, then their ranking shall be determined by a random draw of numbers, with the Employees involved being present.

8:02(3) A List of all Temporary Employees covered by this Agreement shall be posted in April and October of each year. This List will show the Employee's number, name, job classification, temporary status, and date of latest entry into the employ of the Employer. Copies of the List will be posted on all Bulletin Boards, and copies will be supplied to the Union. It is agreed and understood by the Parties that the Union will be supplied with a second List each calendar year upon written request.

8:02(4) Protests in regard to an Employee's seniority standing must be submitted in writing to the Director of Human Resources and Organizational Development within sixty (60) calendar days from the date that the Employee's name is first entered on the Seniority List. When proof of error is established by the Employee or the Employee's representative, such error will be corrected and the proper information inserted on the Seniority List. No change in the seniority status or other information required on the Seniority List of an Employee shall be made unless agreed upon by both Parties.

8:03 Probationary Period

In hiring it is agreed and understood that all newly hired Probationary Employees will be on a probationary period of up to a maximum of six (6) months duration. After completion of the probationary period, seniority shall then become effective from the commencement date of probation. A Part Time Employee will be considered probationary for the first five hundred (500) hours of employment.

8:04 Notice of Lay-Off

A notice of lay-off shall be given in accordance with the terms of the *Employment Standards Act*, as amended. If the Employee laid off has not had the opportunity to work the period of notice of lay-off, the Employee shall be paid in accordance with the *Employment Standards Act*, as amended.

8:05(a) Should circumstances require a reduction of Employees, Temporary Employees, Probationary Employees and Casual/Seasonal Part Time Employees in the Bargaining Unit shall be released first. If a further reduction of Employees is required, Regular Part Time Employees shall be laid off first, and then commencing with those Permanent Full Time Employees with the least seniority. Regular Part Time Employees cannot use this provision to change their employment status from Part Time to Full Time.

8:05(b) A Regular Part Time Employee shall be deemed laid off under this Agreement when their reduction in scheduled hours over twelve (12) consecutive weeks is equal to or greater than twenty five (25%) percent. Other hours (i.e. call-ins) shall not be considered in determining if a layoff of Regular Part Time Employees has occurred.

8:06 When Permanent Full Time and Regular Part Time Employees are laid off under this Article and positions again become available with the Employer, the Permanent Full Time Employees shall be called back in accordance with Article 8:01(1) on a seniority basis, prior to recalling the Regular Part Time Employees. Regular Part Time Employees shall then also be called back in accordance with Article 8:01(1) on a seniority basis. Prior to implementing the Job Posting provisions Employees on layoff will be offered recall in their own classification. Employees on layoff will be considered for all other Job Postings and the Employer will provide Employees on lay off with electronic access to Job Postings on the Intranet.

8:07 Notwithstanding anything herein contained, it is hereby agreed and understood that there is no recall for Probationary, Casual/Seasonal Part Time or Temporary Employees who are released under this Article.

8:08 **Bumping Procedure**

8:08(1) An Employee in receipt of a lay-off notice or who is displaced from his/her position may exercise the right to bump an Employee with less seniority provided that the Employee exercising bumping rights meets the qualifications as contained in the Job Description for the position the Employee is selecting. The right to bump includes the right to bump up within a class (i.e. not Part Time to Full Time).

The Parties understand and agree that the application of this provision entitles Employees to bumping rights only in the following circumstances:

- (a) A permanent reduction of Employees occurs within a classification and the affected Employee is served with a notice of layoff and;
- (b) An Employee has been permanently displaced from a position (defined as a change in reporting depot). Bumping rights are not granted to an Employee:
 - (i) Who is temporarily relocated from his/her position to a different place of work/reporting depot;
 - (ii) Who is temporarily assigned under Article 11:01;
 - (iii) Employees are not considered displaced when the Employer changes hours of work pursuant to the terms of the Agreement.

8:08(2) At the Employee's request, a Representative of the Human Resources and Organizational Development Department will meet with the Employee to review and assist the Employee in the selection of a position.

8:08(3) It is agreed and understood that the Employee may request the presence of a Union Representative at the meeting with a Representative of the Human Resources and Organizational Development Department. If such a request is made the request will be granted.

8:09 Notice of Recall

When Employees are to be recalled by the Employer, they shall be notified by Registered Mail or any other written means the Employer may wish to utilize to their last place of residence known to the Employer, and if he/she fails to report within ten (10) working days after the delivery or receipt of such notice, the Employer shall not be under any obligation to re-employ them.

8:10 Application of Seniority for Temporary Employment

8:10(1) That only the temporary employment up to a maximum of one (1) year immediately preceding and consecutive with (i.e. no break in service) being hired as a Probationary Employee will be recognized.

8:10(2) The Probationary period will continue as outlined in the Collective Bargaining Agreement from the date of hire as a Probationary Employee. Benefits applications are to be as outlined in Article 23:01(2).

8:10(3) Vacation Pay received during the applicable temporary employment period shall be either:

- (a) paid back to the Employer as:
 - (i) lump sum, or
 - (ii) a pre-arranged and approved series of no more than four (4) payments within a one hundred and twenty (120) calendar day period from the date of being hired as a Probationary Full Time Employee, or;
- (b) kept by the Employee, in which case the Employee will only accrue vacation credits from his/her date of hire as a Probationary Full Time Employee.

8:10(4) Temporary Employees do not have any seniority or seniority rights while they are Temporary Employees.

ARTICLE 9:00 - LOSS OF SENIORITY AND TERMINATION OF EMPLOYMENT

9:01 Seniority rights shall cease, and employment will be terminated, for any of the following reasons:

- (1) Voluntary resignation.
- (2) Discharge for just cause.
- (3) Failing to report as required by Article 8:09 of this Agreement.
- (4) Those Employees with up to and including five (5) years of employment are to receive twelve (12) months' recall rights; and those Employees with greater than five (5) years of employment are to receive twenty-four (24) months' recall rights.
- (5) Absent without leave for any period in excess of five (5) consecutive working days.

ARTICLE 10:00 - JOB POSTING

10:01(1) All vacancies and newly created positions, which the Employer intends to fill, shall be posted for a minimum of seven (7) calendar days during which time Permanent Full

Time Employees will have an opportunity to apply and be duly considered. If there is no applicant having the qualifications contained in the Job Description from amongst the Permanent Full Time Employees, then second consideration shall be given to applications from Regular Part Time Employees and Casual/Seasonal Part Time Employees. Third consideration shall be given to Temporary Employees, with at least seven (7) continuous months of employment with the Employer in the preceding eighteen (18) months, and fourth consideration to Probationary Employees. Fifth consideration shall be given to other Employees in the sister CUPE 4705 Bargaining Unit for Permanent vacancies only, regardless of status, before being offered to all other groups. It is agreed and understood that Part Time Employees, and Temporary Employees shall have the opportunity to submit an application for a Job Posting when initially posted. It is agreed that an Employee cannot hold a Full Time and Part Time Job Posting, or two (2) Part Time Job Postings, under this Agreement, at the same time.

10:01(2) Posting Period

The Job Posting shall be posted for a minimum of seven (7) calendar days including the date of the Job Posting. Upon the removal of the Job Posting a selection period of fourteen (14) calendar days will be allowed for the consideration of applications. Requests for an extension to the selection period shall not be arbitrarily or unreasonably withheld by the Union. After the selection period the Union and Employees will be advised through the appropriate notice the name(s) of the successful applicant(s) or a statement to the effect that there were no successful applicants or that there were no applications received. The said notice shall be posted for a period of seven (7) calendar days.

10:01(3) The notice under Article 10:01(2) shall contain the information described in the Job Evaluation Job Description, such as nature of position, initial reporting location and qualifications.

10:01(4) Placement

The placement of a successful candidate to a Job Posting shall become effective within four (4) weeks of the selection. The new rate of pay shall also come into effect to coincide with the placement of the successful candidate.

Notwithstanding the above, by mutual agreement, Job Postings for Seasonal or multiple incumbent positions requiring substantive training (e.g. Bus Operators, Paramedics) shall include a specific start date. The placement of the successful candidate(s) for those postings will occur no later than the stated start date. Requests for an extension to the start date shall not be arbitrarily or unreasonably withheld by the Union.

10:01(5) Limited Position

10:01(5)(a) A Full Time or Regular Part Time Limited position shall mean a position which is for a limited duration not exceeding seven (7) months or such longer period as may be mutually agreed upon between the Employer and the Union. Unless posted under the terms of Article 10:01(5)(b) or Article 10:01(5)(c), if an Employee occupies a Full Time Limited position and his/her employment is longer than seven (7) continuous months in that Limited position without mutual consent, then the Employee shall automatically rank as a Full Time Permanent Employee, subject to passing the necessary standard medical examination. Unless posted under the terms of Article 10:01(5)(b) or Article 10:01(5)(c), if an Employee occupies a Regular Part Time Limited position and his/her employment is longer than seven (7) continuous months in that Limited position without mutual consent, then the Employee shall automatically rank as a Regular Part Time Employee, subject to passing the necessary standard medical examination.

10:01(5)(b) It is understood that if the cause of the Limited posting is a Pregnancy or Parental Leave, that the above Limited posting shall not exceed twelve (12) months. The same would apply to any position(s) posted to backfill the successful candidate(s).

Notwithstanding the above, it is understood that the Limited posting may also be extended to cover both the time period of accommodation and/or sick leave as well as Pregnancy/Parental Leave to a maximum of twenty-one (21) months.

The Employee will provide the Employer medical documentation specifying the date on which the Employee will no longer be able to perform the essential duties of her position due to pregnancy. The Employee will also provide written documentation stating the approximate date the Employee will begin her Pregnancy Leave. The Employee will have to comply with Article 16:02 for purposes of confirming the official date of her Pregnancy Leave.

10:01(5)(c) If the Limited position is caused by occupational/non-occupational illness/injury, the Employer may designate on the posting that it may extend beyond seven (7) months. If the vacancy is subsequently filled by a Permanent Full Time or Part Time Employee, the Employee may remain in the position, without reposting, until the earlier of the injured/ill Employee's return to work, or thirty (30) months. The same would apply to those position(s) posted to backfill the successful candidate(s). However, if the vacancy is filled by a Temporary Employee and the injured/ill Employee has not returned to work within seven (7) months, the vacancy must be reposted under the terms of Article 10:01(1).

10:01(5)(d) The Employer is not required to release the Temporary Employee in Article 10:01(5)(c) above (if unsuccessful in their second application) until the posting is awarded and the successful candidate begins work in the job. It is agreed the Union may waive successive postings, if appropriate.

10:01(5)(e) Notwithstanding any other article, a Temporary, Regular Part Time or Casual/Seasonal Part Time Employee who has accepted a Limited posting will not be considered for any other Limited posting unless the other Limited posting is posted within thirty (30) calendar days of the expiration of the current Limited posting they occupy or by mutual consent of the Parties hereto. This provision does not preclude an Employee being considered for Permanent vacancies.

10:01(5)(f) Where a Limited position is funded wholly/partially on an external third party (e.g. Fednor, HRDC, RBC) and the duration of the Limited position is expected to go beyond the limits contained in Article 10:01(5), the Employer may post the Limited position for a maximum of two (2) years. Notwithstanding any other Article, a Temporary Employee who has accepted a Limited posting will not be considered for any other Limited posting unless the other Limited posting is posted within thirty (30) calendar days of the expiration of the current Limited posting they occupy or by mutual consent of the Parties hereto, provided the Employer provides the Union with prior notice of the expected duration, scope and duties.

The Parties agree that Government Grant Programs (e.g. from HRDC, FedNor) have the potential to enhance the community and the quality of life of the Citizens of CGS. The Parties therefore agree that support/concurrence with applications for said grants will not be unreasonably withheld.

At the time Union concurrence is sought the Employer is to provide the Union with a written explanation of the amount of funding sought, number of jobs to be created, their term, wage(s), general duties, and expected outcomes of the project.

The Parties have agreed to not incorporate Funded Limited positions into Schedule "A" of the Collective Bargaining Agreement, given their transient nature. Rather, the Employer will be required to forward to the Sectional Chair of the Union at the end of each quarter of the calendar year, a listing of the current funded Limited positions covered by the Agreement which are not listed in Schedule "A". The listing will show the job title, the Incumbent's name, the Incumbent's employment class (e.g. Permanent, Temporary, etc.), the Section where the Incumbent works, the Incumbent's pay group and step number, and whether that rate of pay is interim, or confirmed by the Joint Rating Committee.

10:01(5)(g) If the Limited position is caused by a Special Project, the Employer may designate on the posting that it may extend beyond twelve (12) months. If the vacancy is subsequently filled by a Permanent Employee, the Employee may remain in the position,

without reposting, until the earlier of the completion of the project or twenty-four (24) months. The same would apply to those position(s) posted to backfill the successful candidate(s). Notwithstanding any other Article, a Temporary Employee who has accepted such a Limited posting will not be considered for any other Limited posting unless the other Limited posting is posted within thirty (30) calendar days of the expiration of the current Limited posting they occupy or by mutual consent of the Parties hereto. The Employer commits to provide the Union with prior notice of the expected duration, scope and duties.

10:01(5)(h) If the Limited position is caused by an Employee's election or appointment as a salary representative of the Union, the Limited position will be for the same duration as the Employee's term with the Union. Should the Limited position end prior to the original end date, the Employee will revert to their Permanent position held within the Bargaining Unit. Should the Limited posting be filled by a Permanent Employee, the Employee shall revert to their Permanent position in accordance with Article 10:01(7).

10:01(6) A Limited Job Posting shall indicate the estimated probable duration that will be required.

10:01(7) The Permanent Employee filling a Limited Position shall, on termination of such Position, revert to the classification and grade held immediately preceding selection.

10:01(8) Posting Pregnancy Leaves

Only the initial vacancy resulting from an application for Maternity Leave will be filled according to Article 10.

10:01(9) Written Notice

The Employer shall give written notice to the Union of a decision to postpone or not to fill a vacancy within seven (7) calendar days of the vacancy.

10:01(10) Employer Unable to Fill Vacancy

If the Employer is unable to fill a vacancy or a newly created position by the Job Posting Procedure hereunder or by hiring from the outside labour market within three (3) months from the date of the first posting of the vacancy or newly created position concerned, then the Employer shall immediately re-post in accordance with the provisions of Article 10 or give written notice to the Union of a decision to postpone or not to fill the position concerned at that time.

10:01(11) Both Parties Recognize:

- (1) The principle of promotion within the service of the Employer;
- (2) That job opportunities should increase in proportion to length of service, provided job applicants have equivalent qualifications within the established Job Documents.

10:02 Exceptions

Vacancies occurring in jobs covered by this Agreement shall be posted, with the following exceptions:

10:02(1) A change to the Job Duties, Rating and/or Salary Group resulting from a Job Evaluation Plan Challenge, or a review of a rating by the Joint Rating Committee, or a change to a Job Title and/or Occupation Code only, shall not be considered to create a vacancy.

10:02(2) A change to the duties of an occupied job wherein the salary group remains unchanged, shall not be considered to create a vacancy.

10:02(3) The restructuring of a job in a manner which justifies application of the Downgrading Rule (Article 27:09) to the incumbent, shall not be considered to create a vacancy.

10:02(4) A temporary vacancy due to an accident, injury, illness, sickness, vacation, leave of absence or temporary transfer, for a period not to exceed forty-five (45) working days. It is understood that the forty-five (45) working days includes the Posting Period and Placement process.

10:02(5) Should a subsequent identical vacancy occur within four (4) weeks of an original posting's closing date, the Employer may return to that original pool of internal applicants to fill the subsequent vacancy(ies).

Notwithstanding the above, should an Employee be returned to their Permanent classification by the Employer within the first four (4) weeks of their Trial Period, in accordance with Article 10:03(1), the Employer shall re-post the vacancy.

10:03(1) Trial Period

A Successful Applicant to a Job Posting shall be so advised in writing. Such Successful Applicant to any Job Posting shall be placed on an appropriate Trial Period of up to a maximum of three (3) months. Successful Applicants to Job Postings within or outside the Scope of this Agreement, if unsatisfactory and so advised in writing or the applicant finds him/herself unable to perform the duties of the position during the Trial Period, shall revert to the permanent classification and salary group held immediately preceding such Job Posting. All other Employees affected by the return of the above-noted applicant shall also return to their former permanent classification and salary group held immediately preceding the above-noted Job Posting.

10:03(2) Upon application by an Unsuccessful Applicant, the Hiring Manager shall state in writing his/her reasons for the rejection of the application.

10:04 A Job Posting referring to jobs covered by the Job Evaluation Plan shall be based on the Job Description and Specifications. Nothing contained in the Job Posting shall contravene the information contained in the Job Documents. No important information (subject to space limitations) shall be omitted. Initial Reporting Depot shall also be indicated in the Job Posting.

10:05 Job Training Program

10:05(1) Should there be no successful applicant to a Job Posting from within or outside the Scope of this Agreement, then the Employer may institute a Job Training Program, to fulfil the need of such Job Posting. Applications will be invited to fulfil the Job Training through a subsequent Job Posting under Article 10. The Parties shall meet and agree upon the length of training and appropriate rates of pay prior to the Employer making any representations on same to the successful candidate. Upon Agreement between the Parties on length of training and appropriate rate of pay, the successful candidate may decline the Job Training Program.

10:05(2) In determining the Employee's increment date, the period of time during which he/she was in a training rate shall be included.

10:06 Polling

The Parties agree that when a vacancy exists in any classification, Permanent Full Time Employees holding that Permanent classification in another reporting depot, even those in another Limited posting at the time of the vacancy, will be polled in order of seniority to move to the reporting depot containing the vacancy, and the last vacancy created by said polling will subsequently be posted.

ARTICLE 11:00 - RELIEVING IN OTHER GRADES

11:01 An Employee temporarily assigned to a position in a higher Job Group to replace an Employee for an absence not to exceed sixty (60) calendar days, shall receive a rate of pay increase in the higher job group of not less than one (1) increment above the rate of pay being received immediately prior to the temporary relieving assignment, for the full relief period. Upon completion of the aforesaid sixty (60) calendar day period, the temporary assignment, unless mutually extended by both Parties hereto, which extension shall not be arbitrarily or unreasonably withheld by either Party hereto, shall be posted in accordance with Article 10.

11:02 An Employee temporarily assigned to a lower job rated classification shall receive his/her regular rate of pay while so assigned.

11:03 When an Employee is requested in writing and is willing to relieve in a position outside the Bargaining Unit, he/she shall receive not less than ten (10%) percent above the highest rated classification supervised for the full relief period. Such Employee shall continue payment of Union Dues to the Bargaining Agent and shall continue to accrue seniority up to a maximum of six (6) months. The period of relief shall be no longer than six (6) continuous calendar months. When required, Management may request an extension to the six (6) continuous months' time limit and consent shall not be arbitrarily or unreasonably withheld by the Union. The Employer will notify the Unit Chair in writing of all Employees who are working for the Employer in a position outside the Bargaining Unit as soon as possible and in no case later than five (5) working days after Employees assume a position outside the Bargaining Unit.

That evidence needs to be satisfactory to the Co-ordinator of Compensation, Benefits, and Rehabilitation, otherwise the Employee will then be placed on an unpaid Leave of Absence and required to pre-pay the premiums at their own expense to maintain their Health and Dental Coverages.

This requirement will also apply to classes of Employees who receive Health and Dental Benefits from CGS, but whom are ineligible for WI/LTD benefits.

28:02 A PROBATIONARY FULL TIME EMPLOYEE - is a Full Time Employee hired for a period of up to six (6) consecutive months in the service of the Employer. A Probationary Full Time Employee who remains in the service of the Employer longer than six (6) consecutive months shall automatically become a Permanent Full Time Employee unless such probationary period is extended by mutual consent between the Employer and the Union. The employment of a Probationary Full Time Employee may be terminated at any time during the six (6) consecutive month probationary period or extension thereto, without recourse to the Grievance Procedure, unless the Union claims discrimination under Article 18 of this Agreement.

28:03(1) A REGULAR PART TIME EMPLOYEE - is an Employee who is hired to regularly work not more than twenty four (24) hours within a seven (7) day period Saturday to Friday performing work of the Bargaining Unit. It is expressly understood that Regular Part Time Employees shall not be guaranteed a specified number of hours per week and hours of work may not be the same as Full Time Employees. Regular Part Time Employees shall be scheduled for work, and called into work when additional work becomes available.

A Regular Part Time posting is one that meets the above criteria.

28:03(2) A CASUAL/SEASONAL PART TIME EMPLOYEE - is an Employee who is hired to regularly work not more than twenty-four (24) hours within a seven (7) day period Saturday to Friday performing work of the Bargaining Unit. It is expressly understood that Casual/Seasonal Part Time Employees shall not be guaranteed a specified number of hours per week and hours of work may not be the same as Full Time Employees. Casual/Seasonal Part Time Employees shall be called into work/scheduled as required. An Employee will be designated as either Casual, or Seasonal in his/her Offer Letter of Employment/Promotion, and his/her classification will be stated therein. If the Employee is denoted Seasonal, his/her expected Employment term will also be stated in his/her Offer Letter. A copy of the Offer Letter will be forwarded to the Secretary of the Union. The Union will also be advised of the Employee's initial Reporting Depot.

28:04 A TEMPORARY EMPLOYEE - is an Employee who is hired to work for a period of no longer than seven (7) consecutive months in the service of the Employer. Unless posted under the terms of Article 10:01(5)(c), a Temporary Employee shall not establish seniority except when such an Employee remains in the employment of the Employer for a period of more than seven (7) consecutive months. The Employee shall then automatically rank as a Permanent Full Time/Regular Part Time Employee (as appropriate). For such Employee, his/her seniority shall then be established from his/her latest date of continuous service with the Employer. The employment of such Employee may be terminated at any time during the first seven (7) consecutive months without recourse to the Grievance Procedure unless the Union claims discrimination as noted in Article 18 hereof, as the basis of termination.

In the case of a Temporary Employee hired as a result of a Pregnancy or Parental Leave, the above time frames shall be deemed to be twelve (12) months.

It is understood that Casual/Seasonal Employees are not Temporary Employees.

28:05(1) A STUDENT EMPLOYEE - is a Temporary Employee who is hired for a school vacation period, or semester period under a Co-Operative Graduate School Program. A Student's employ may be terminated at any time without recourse to the Grievance Procedure, unless the Union claims discrimination under Article 18 hereof as a basis of termination. A Student Employee may not bid on other Job Postings under this Agreement, while so employed.

28:05(2) Without resorting to the Job Posting Procedure under Article 10, the Employer is entitled to employ Temporary Employees who are Students during the period of April 15th to September 15th inclusive, each year, to perform work for the Employer.

28:05(3)(a) If a Student is assigned to relieve an incumbent then the Student will be paid Step 1 of the pay group in which the incumbent's classification has been evaluated. In determining whether or not an incumbent's position is being relieved, the duties being performed by the Student will be compared to the duties performed by the incumbent.

28:05(3)(b) If a Student is working as an extra Employee in a classification and is expected to perform the majority of the duties of the classification, the Student will be paid Step 1 of the pay group in which that classification has been evaluated. In determining whether or not the Student is performing the majority of the duties the classification, such determination will be assessed against the Job Description of the classification.

28:05(4) Subject to Article 28:05(2), the Employer shall follow the Job Posting Procedure under Article 10 before employing any Temporary Employees.

30:01 This Agreement shall be in effect from the 1st day of April, 2016 and shall remain in effect until the 31st day of March, 2019, unless either Party gives to the other Party a written notice of termination or of a desire to amend this Agreement, then it shall continue in effect for a further year without change, and so on from year to year thereafter.

30:02 Notice that amendments are required or that either Party intends to terminate this Agreement may only be given within the period of one hundred and twenty (120) days prior to the expiration date of the Agreement, or any anniversary date of such expiration date.

30:03 If notice of amendments or termination is given by either Party, the other Party agrees to meet for the purpose of negotiations within a period of twenty (20) calendar days from the receipt of such notice if requested to do so, provided however, an extension of time shall be granted if so requested by either Party.

The Parties will use the Labour – Management forum for these discussions. The Committee shall not have jurisdiction over matters which pertain to collective bargaining or are the responsibility of another joint committee. During the Operator's normal daily hours of work, the Operator will remain on the Employer's premises during Standby time unless otherwise directed by the Transit Operations Supervisor on duty.

Operators on standby will complete any crew assigned to them that does not require them to work more than one (1) scheduled run or two (2) hours, whichever is less, beyond their normal finishing time.

Notwithstanding the above, Full Time Operators shall not be scheduled with less than eleven (11) consecutive hours free from performing work in each day.

H:03(2) Operators shall be relieved for an unpaid meal break free from work, the duration of which will be a minimum of one-half ($\frac{1}{2}$) hour to a maximum of one (1) hour after no more than five (5) consecutive hours of work. Forty-eight (48) hours notice shall be given to the Union and to all Operators affected, except Spare Board Operators, and Part Time Operators before change of Crew Guide or Shift. This overtime payment shall be in addition to the normal eight (8) hours pay for the day in question.

Notwithstanding the above, there will be no impact to a Part Time Operator's selected crew due to work offered on rotation in accordance with Article H:04(2).

H:03(4) Failure to Complete Crew Guide

Where an Operator cannot complete any scheduled run or Crew Guide on account of failure of equipment, shortage of equipment, or adverse weather or road conditions, the Operator shall not be penalized in any way for the day on which the failure of equipment, shortage of equipment or adverse weather or road conditions occur.

In the event of inclement weather and an Operator is notified not to report for work but is told to "stand by" and await further advice, the Operator involved shall be paid at a rate of one-half (½) times his/her straight time hourly rate for all hours involved.

H:04 Work Distribution

All work assignments must be covered first by Operators at regular rate before Operators at overtime rate are used except for Charters, posted with less than three (3) days notice per Article H:12, and spare work which must be offered to Full Time Operators who have signed the appropriate posting.

Notwithstanding the above, it is clearly understood and agreed to by both Parties that if Charters, posted with less than three (3) days notice per Article H:12 or spare work are available it must be assigned to Operators at overtime rate by seniority before they are allowed to select other assignments.

- (b) Second Choice: Day off Full Time Operators at regular rate;

- (e) Fifth Choice: Other Full Time Operators at overtime rate by seniority providing the Operators concerned can absorb the piece of work;
- (f) Sixth Choice: Part Time Operators on DAY OFF at overtime rate by Seniority;
- (g) Seventh Choice: Part Time Operators on overtime rate by seniority providing the Operators concerned can absorb the piece of work.
- (h) Eighth Choice: Student Operators on day off at overtime rate by seniority;
- (i) Ninth Choice: Other Student Operators at overtime rate by seniority provided the Operators concerned can absorb the piece of work;

Where an Operator establishes that he or she has not been offered overtime in accordance with the choices laid out above, the remedy shall be an "in kind" opportunity to work on their day off. The duration of the work opportunity will be equalled to the number of hours associated with the missed opportunity. The Operator will provide the Director of Transit and Fleet Services three (3) days notice advising of his or her ability to work such an opportunity. The "in-kind" opportunity will be provided in accordance with the above directly following provision (b) of this Article. The "in-kind" opportunity shall be worked within the six (6) months following the original date of the missed opportunity and shall be paid at the overtime rate.

H:04(2) All known work will be offered in the following fashion:

At 8:00 p.m. or 11:00 a.m. as the case may be, the Transit Operations Supervisor on duty will telephone those Operators who are scheduled to work as regular Spare Board Operators at regular rate by seniority to select their work assignment. The Transit Operations Supervisor on duty will then telephone those Operators who have indicated their desire to work overtime by signing the appropriate posting in accordance with Article H:03(5). Those who confirm their desire to work will be recalled by seniority to select their work assignment. If an Operator has previously indicated their desire to work and then refuses same, the call-in will not be adjusted and the overtime hours that would have been worked will be added to the list of overtime hours for that Operator.

Should additional work become available after the Transit Operations Supervisor has filled all known work assignments and there are no Operators available at regular rate, then the Operator with the least amount of overtime hours will be offered the work.

- (a) 8:00 p.m. call (prior night) all known work available on the following day up to and including the 1:00 p.m. report time and;
- (b) 11:00 a.m. call (same day) all known work on that same day available after the 1:00 p.m. report time.

It is understood by both Parties that no Part Time Operator will be bypassed until 8:00 p.m. the night prior to the day of the vacancy.

H:05 Overtime

Article 14:03, Article 14:03(2), Article 14:03(7) and Article 14:03(8) of the Collective Bargaining Agreement will not apply to Transit Operators. Rather, the following articles will apply:

H:05(1) No Operator shall be required to work overtime after completing his/her regular assignment except in cases of emergency or when no Part Time Operator is readily available at regular rate and then the Operator shall not be required to work more than one (1) scheduled run or two (2) hours whichever is the minimum.

- (d) An Operator who is forced to work his/her regular day off prior to having worked forty (40) hours in the week, will be paid at one and one-half times ($1\frac{1}{2}$ x) the regular rate for all hours worked on that day.
- (e) Notwithstanding the provisions of Article H:05(2)(a) above, an Operator working on a Flex Shift Crew will be paid overtime at the rate of time and one-half ($1\frac{1}{2}$ x) the regular rate per hour only after the Operator has completed the hours specified on the Flex Shift Crew, on a daily basis, at the regular rate per hour and/or up to the total hours scheduled in a five (5) day period for that Flex Shift Crew.

H:05(3) Notwithstanding Article H:06 of the Collective Bargaining Agreement, when the Employer forces Operators to work a Sunday Schedule it will be done in such a manner as to ensure that the Operators concerned are guaranteed a minimum of one (1) nine (9) hour rest period.

H:05(4) Work Not Continuous With Regular Shift

Specified Holiday pay occurring on a Regular Day off, and Premium pay for working on a Specified Paid Holiday is also bankable. All Operators (excluding Student Operators) may bank overtime, even where opportunities for bank time off are not foreseen (due to operational need), as banking time can also serve the possible purposes of creating a Summer vacation 'fund' and a year-end holiday 'fund' (see payout schedule, below). Bank Time may be used to top up approved WI benefits.

The accrual of Bank Overtime shall be at the prevailing rate at which it is earned to a maximum of the dollar value equivalent of eighty (80) hours.

It is further agreed and understood that any such accumulated time not taken by November 30th or paid out in June shall be paid for by the Employer in the pay period before Christmas.

That they want their first hours of overtime work for one (1) of the following:

(a) Cash Payout in June

OR

H:05(9) The Employer may schedule up to a maximum of fifteen (15) minutes of overtime per day for up to one-third (1/3) of the total number of crews.

Any scheduled overtime as per the provisions of this Article will be paid at one and one-half (1½) times the regular hourly rate.

H:08 **Sign Up Board of Crew Guides**

H:08(1) A Sign-Up Board of Crew Guides provided by the Employer shall be posted for Full Time Operators to make their selection of the Crew Guide they desire by seniority not less than four (4) times per year effective in the months of April, June, the last half of August and the first half of the months of September and December. At the same time, the Employer shall post a date and time on which a Full Time Operator must make his/her selection, which date and time shall not be less than seven (7) calendar days after the posting of the Sign-Up Board. If the Full Time Operator does not make his/her selection on that fixed date and time, then the Unit Chair or designate shall make the run selection for the defaulting Operator by 9:00 a.m. of the day following the date and the time posted by the Employer, failing which, the Full Time Operator shall be by-passed and may make his/her selection from the remaining crews at any time prior to the finalization of the Sign-Up Board. New Crew Guides shall be posted in order that Full Time Operators can make their selection of the Crew Guide they desire by seniority. Once a Sign-Up Board of Crew Guides has been completed for selection purposes, no change shall be made to the Sign-Up Board and no change shall be made to the Crew Guides, unless by mutual agreement between the Union and Management. The Employer will not contact the Operator on Sundays for the purpose of securing crew bids. Should an Operator be scheduled for a long weekend at the commencement or termination of a crew bid and cannot successfully bid back into the same group because it is full, the said Operator shall be allowed to finish the long weekend provided the Operator agrees to work a subsequent day off at the regular rate when

requested to do so by the Employer. The Employer agrees to provide the Operator with forty-eight (48) hours notice of the request to work the day off.

H:08(2) All unfilled crews remaining after the Sign-up Board has been completed, as determined in Article H:08(2) above, will be posted for a further two (2) week period. Subsequent vacancies created thereby will also be posted for a two (2) week period. Notwithstanding the above time periods, remaining unfilled crews will be offered or assigned to a Spare Board Operator.

H:08(3)(a) Where a Vacation Relief Operator selects or is assigned to fill a vacancy on a crew created by an Operator taking vacation it is agreed and understood that the Vacation Relief Operator shall be subject to the normal daily hours of work and overall period of consecutive hours applicable to the selected or assigned crew guide.

When a Vacation Relief Operator selects or is assigned to fill a vacancy created by an Operator taking vacation the Vacation Relief Operator must select or be assigned to all the weeks of vacation that run consecutively for that Operator.

H:08(3)(b) The Parties agree that for the June Crew Bid, the selection of vacation relief work will be offered to eligible Full Time Operators by seniority.

The remaining vacancies will be distributed among Part Time Operators and Student Operators as per Article H:21(4).

H:08(4) Transit Management will make every effort to assist Full Time Operator to adjust their work week so that they do not work less than eighty (80) hours bi-weekly or work more than eighty (80) hours bi-weekly not including platform time. Should an Operator work more or less than eighty (80) regular hours not including platform time in one pay period their hours will be adjusted in the next pay period.

H:08(5) The Employer will ensure that a minimum of two (2) Spare Board Operators are created in each crew bid except the June crew bid. It is understood by the Parties that this is a type/piece of work and not the addition of two (2) Full Time positions.

H:09 Inactive Board

Operators absent for thirty (30) calendar days prior to the posting of any Sign-Up Board, shall be placed on the Inactive Board, unless said Operators provide a valid medical certificate by no later than the commencement of the bidding process stating that they shall return to work within thirty (30) calendar days of the effective date of the new Crew Guides.

Should an Operator be unable to return to work within the thirty (30) calendar days of the effective date of the new Crew Guides, the Operator will be placed on the Inactive Board and the crew the Operator selected will be offered to all Operators by use of the Sign Up Board Procedures for Crew Guides as set out in Article H:08.

Operators on the Inactive Board shall not be allowed to bid. In the event that Operators on the Inactive Board return to work, they shall be placed on the Spare Board according to seniority.

H:10 Vacation Relief Crew Guides

The Employer shall prepare and post as part of the Sign-Up Board of Crew Guides for the bidding on the Crew Guides effective in June under Article H:09, Vacation Relief Crew Guides. Notwithstanding Article H:09, any Operator scheduled to take all or part of his/her annual vacation during the period between the effective date of the commencement of the June Crew Guides and Labour Day, both inclusive, is not eligible to bid for the Vacation Relief Guides.

H:11 Temporary Crew Guide Vacancies

H:11(1) When an Operator's temporary vacancy of unknown duration or of a known duration of more than seven (7) calendar days occurs on a Crew, such vacancy will be posted and will include a copy of the current Crew Guide. The vacancy will be posted for bidding for a period of seven (7) calendar days from one Friday noon until the next Friday noon. This posting shall be the only posting and shall hereinafter be referred to as the "original posting" and no vacancy shall be posted on more than one (1) occasion.

H:11(2) The vacancy before the seven (7) calendar day posting period will be filled on the first day of the vacancy as Spare Board work to be distributed in accordance with Article H:04.

H:11(3) The vacancy during the seven (7) calendar day posting period will be offered to all unassigned Full Time and Spare Board Operators by seniority. If no Full Time or Spare Board Operator agrees to cover the vacancy, it will be filled on a day to day basis by a Part Time Operator on rotation.

H:11(4) All unassigned Full Time or Spare Board Operators must contact the Transit Operations Supervisor by 7:30 p.m. on the Friday of the closing date of all postings in order to select or be assigned to any unassigned vacancy. Failure to do so will result in the Operator concerned being by-passed and he/she shall make his/her selection or be assigned from the remaining vacancies as the case may be.

H:11(5) If two (2) or more Full Time or Spare Board Operators sign the original posting, then, firstly, the Full Time or Spare Board Operator in accordance with seniority, shall be designated according to his/her selection to fill the vacancy.

H:11(6) The successful Full Time or Spare Board Operator who fills the temporary vacancy concerned shall do so until the expiration of such vacancy unless he/she is the successful applicant on a posting on another different subsequent vacancy. In such case the Operator shall fill the former vacancy until the commencement date of the other subsequent posting. When filling any vacancy the Operator shall assume the same shifts and the same rotating days off as the Operator he/she is replacing.

Notwithstanding the above, a Full Time or Spare Board Operator may choose to sign for a portion of a vacancy with the minimum being one (1) week. Only Operators who have selected to be Spare Board Operators will have the right to sign for work on a weekly basis.

H:11(7) The remainder of any vacancy created due to the operation of Article H:11(6) shall be open to Full Time and Spare Board Operators by seniority. A Full Time or Spare Board Operator, who wishes to select such remainder of a vacancy must indicate his/her choice by signing the original posting and the selection must be made by noon of the Friday preceding the Monday commencement date of the remainder of the vacancy.

Notwithstanding the above, should a Spare Board Operator not sign the original posting they will be considered daily Spare Board Operators for the following week. Daily Spare Board Operators must contact their Supervisor no later than 7:30 p.m. on Friday night in order to confirm days off and their desire to select from AM or PM work, otherwise, they will be assigned work in accordance with Article H:02(7)(a). Daily selection of spare board work shall be done thirty (30) minutes prior to the scheduled call out times. Failure to do so shall result in the Supervisor assigning work.

H:11(8) If no Full Time Operator or Spare Board Operator, signs the original posting for a vacancy or remainder of a vacancy by noon of the Friday preceding the Monday commencement date, then the vacancy or remainder of a vacancy, will be assigned by the Employer to the Spare Board Operators according to the least seniority the remainder of the vacancy, unless he/she is the successful applicant on a posting of another different subsequent vacancy.

H:11(9) If no Full Time or Spare Board Operators are available for a vacancy and the vacancy is filled by a Part Time Operator on rotation until a Full Time or Spare Board Operator becomes available, at such time as a Full Time or Spare Board Operator becomes available, the vacancy may be filled by such Operator on a day to day basis until the Monday commencement date of the remainder of the vacancy.

H:11(10) Notwithstanding anything herein contained where an Operator voluntarily resigns, is transferred or is discharged, then the Operator's position shall be filled by use of the Sign-Up Board Procedure for Crew Guides set out in Article H:11.

H:11(11) Filling Full Time Limited Vacancies

The Employer is not required to post Full Time Limited vacancies. Instead, Full Time Limited vacancies will be offered to the most senior Part Time Operator. As Full Time Operators return to work, Part Time Operators will be returned to his/her Part Time position by reverse seniority.

The Employer will notify the Union of the names of Part Time Operators who are moved into Full Time Limited positions when they move to the vacancy and again when the Part Time Operator returns to his/her Part Time position.

Part Time Operators shall not be offered Full Time Limited vacancies until such a time as the Employer has completed the posting period of the original posting as per Article H:11. Part Time Operators shall not be Spare Board Operators.

The Employer will continue to post all Full Time permanent vacancies.

Notwithstanding the above the Employer is not required to move Part Time Operators to Full Time Limited vacancies if it creates overtime work on weekends.

H:12 Charters

H:12(1) Operators required for Charter Work on Sundays or Paid Holidays shall be remunerated in accordance with the provisions of Article H:05(2).

H:13(2) Both Parties agree that Operators must actually work a minimum of one hundred and fifty (150) days in each year in order to be entitled to uniforms and accessories described in Article H:13(1).

H:13(3) Notwithstanding the provisions of Article H:13(2), should a change in uniform style be made while an Operator is on a Leave of Absence extending beyond one hundred and fifty (150) days for whatever reason, the Employer will order any portion of the uniform or any of the accessories which have been changed by no later than ten (10) working days following the Operator's return to work.

H:13(5)(a) If the employment of an Operator terminates within the first six (6) months of service, the Operator shall reimburse the Employer with the full amount of the cost of those parts of the standard uniform which are not returned by the Operator to the Employer.

H:13(5)(b) If the employment of an Operator terminates after serving more than six (6) months but not less than twelve (12) months with the Employer, the Operator shall then reimburse the Employer with fifty (50%) percent of the amount of the cost of those parts of the standard uniform not returned by the Operator to the Employer.

H:13(7) Dry Cleaning

The Employer agrees to a **ONE HUNDRED (\$100.00) DOLLAR** cleaning allowance per year for all Operators. This allowance shall be paid to the Operators on or before the 15th day of December. Both Parties agree that Operators must actually work a minimum of one hundred and twenty (120) days each year in order to be entitled to a dry cleaning allowance.

The Employer will assume the cost of dry cleaning an Operator's uniform or a portion thereof when, in the opinion of Management, the uniform was soiled due to unusual circumstances while the Operator was engaged in the performance of his/her duties.

In default of such appointment, either party may apply to the Ontario Labour-Management Arbitration Commission for such appointment. The decision of the Board so constituted shall be binding upon both Parties. The decision of the majority is the decision of the Arbitration Board, but if there is no majority, then the decision of the Chairperson governs.

H:17 The Employer will issue Lifetime Bus Passes to all Operators who retire from the Transit Operations Section.

H:18 The Employer guarantees that Probationary Part Time and Full Time Operators currently employed will not be laid off as a direct result of the utilization of Part Time Operators.

Part Time Operators will be assigned on a rotating basis to crews by the Platform Time of each Crew. Should two (2) or more crews have the same Platform Time then the Part Time Operators will be assigned the available work starting with the Crew with the lowest Crew number in an increasing order. As an example, should there be vacancies on Crews 5, 15 and 39, the first Part Time Operator to be assigned work from the rotating list would be assigned to work on Crew Number 5, the second Part Time Operator to be assigned work from the rotating list would be assigned to work on Crew Number 15, and the third Part Time Operator to be assigned work from the rotating list would be assigned to work on Crew Number 39.

H:21(4)(d) The Employer may use a Part Time Operator at regular rate to replace a Full Time Operator who is working at overtime rate if the Full Time Operator was assigned or selected a crew.

H:21(6)(c) Only those Part Time Operators scheduled to work on a Paid Holiday or called into work on rotation on a Paid Holiday shall receive seniority credit for the Paid Holiday.

Notwithstanding the above, if an Operator signs the appropriate posting and rotation goes by the Operator's name, seniority points shall be given.

H:21(6)(c)(i) Hours worked by Part Time Operators and Student Operators on a Specified Paid Holiday will count towards their hours of work and seniority for that week. It is understood that the hours worked will only count towards their hours of work and seniority for a Part Time Operator if they are assigned through rotation or scheduled by the Employer.

H:21(6)(d) A Part Time Operator who attends a mandatory training program shall be credited with one (1) seniority point each time the call in rotation passes the Operator's name and one (1) seniority point for each scheduled Saturday or Sunday the Part Time Operator would have worked.

H:21(6)(e) A Part Time Operator who is off work and on Pregnancy and/or Parental Leave, Bereavement Leave or absent to a disability resulting in WSIB benefits or illness and injury in excess of thirty (30) consecutive calendar days shall be credited with one (1) seniority point

each time the call in rotation passes the Operator's name and one (1) seniority point for each scheduled Saturday or Sunday they would have worked.

Such seniority points will be added to the Operator's record upon the Operator's return to work, or immediately prior to the publication of the April or October seniority lists, whichever is earlier.

H:21(6)(f) When an Operator is successful to a Part Time Operator position, his/her seniority hours as defined in Article 8 will be converted into seniority points by dividing his/her seniority hours by eight point five (8.5) hours.

H:21(6)(g) Hours worked by Part Time Operators and Student Operators on a Specified Paid Holiday will count towards their hours of work and seniority for that week.

H:21(6)(h) Unavailability For Work

Article C:03(c) of Schedule "C" does not apply to Part Time Operators. Rather the following will apply: Seniority rights shall cease and employment shall be terminated if unavailable for work on four (4) consecutive occasions when the Operator is contacted by his/her Transit Operations Supervisor to appear for work, unless reasonable explanation, acceptable to the Employer, is provided by the Operator:

For the purpose of this Article, the Employer's obligation to contact a Part Time Operator will be met when a telephone call has been placed and documented by the Transit Operations Supervisor or when a personal contact with the Operator has been made by the Transit Operations Supervisor.

A documented telephone call will be deemed to be completed when the Transit Operations Supervisor has called all telephone/pager numbers provided to the Employer by the Part Time Operator up to a maximum of two (2) different numbers.

Notwithstanding the above, a Part Time Operator will be considered unavailable for work for a maximum of two (2) occasions within a twenty-four (24) hour period, when contacted by a Transit Operations Supervisor.

The provisions of this Article do not apply to a Part Time Operator who requests, and is granted a Leave of Absence resulting in the Part Time Operator removing themselves out of the normal rotation.

H:21(7) Article C:18 (Group Insurance) shall not apply to Part Time Operators, rather for Part Time Operators, the Employer agrees to contribute one hundred (100%) percent of the total premium cost for the following plans:

H:21(7)(a) Manulife Comprehensive Extended Health Care (or equivalent carrier), including Overage Dependant Student Coverage;

The Eye Glass Subsidy to be **THREE HUNDRED AND NINETY DOLLARS (\$390.00)** every twenty-four (24) months.

One (1) eye examination every twenty-four (24) months, to a cap of **EIGHTY-FIVE (\$85.00) DOLLARS;**

H:21(7)(b) Manulife Dental Plan #9, including space maintainers (or equivalent carrier), including Overage Dependant Student Coverage; (current O.D.A. Fee Schedule).

H:21(7)(c) The above noted plans shall only be available to a Part Time Operator while carrying out the duties of a Part Time Operator. Should a Part Time Operator be successful to a Limited position, excluding Full Time Operator, his or her benefits will cease until they return to the Part Time Operator position.

H:21(8) Article C:07 shall not apply to Part Time Operators, rather the following shall apply. The Part Time Operators vacation pay will not be paid out on each pay cheque, like other Part Time Employees. Part Time Operator's vacation period will be calculated based on the following formula:

- (a) Part Time Operators with less than sixteen (16) hours worth of accumulated vacation pay will not be permitted any vacation entitlement. Any unused vacation pay will be paid out by the end of January.
- (b) Part Time Operators with a minimum of sixteen (16) hours worth but less than sixty (60) hours worth of accumulated vacation pay will be scheduled for one (1) week of vacation.
- (c) Part Time Operators with a minimum of sixty (60) hours worth but less than one hundred (100) hours worth of accumulated vacation pay will be scheduled two (2) weeks of vacation.
- (d) Part Time Operators with a minimum of one hundred (100) hours worth of accumulated vacation pay will be scheduled for three (3) weeks of vacation.
- (e) Vacation pay entitlement for Part Time Operators will continue to be determined as follows:
 - (i) Probationary Part Time Operators shall receive four (4%) percent of their gross earnings up to one thousand and forty (1,040) hours of work.
 - (ii) Part Time Operators who have accrued more than one thousand and forty (1,040) hours of work but less than four (4) years of credited service shall receive five (5%) percent of their gross earnings.
 - (iii) Part Time Operators who have accrued four (4) or more years of credited service shall receive seven (7%) percent of their gross earnings.
- (f) Part Time Operators will be paid an amount equal to their accumulated vacation pay divided by the number of weeks of vacation entitlement as per Article H:21(8)(a), Article H:21(8)(b), Article H:21(8)(c) and Article H:21(8)(d) of this Agreement. This vacation pay will be paid to the Operator through the normal payroll process when their vacation is taken. Three quarters (3/4) of the amount owing will be paid during the Monday to Friday portion of the selected vacation week. One quarter (1/4) of the amount owing will be paid during the Saturday and Sunday portion of the selected vacation week.

Notwithstanding the above the vacation pay does not represent hours of work.
- (g) Part Time Operators will accumulate seniority points during their vacation period based on the number of occasions they would have been called in to work if they had not been on vacation. The accounting of this process will be the responsibility of Sudbury Transit Management.
- (h) A Part Time Operator who becomes a Full Time Operator will be required to take his/her vacation as scheduled in that vacation year. In the vacation year following, the former Part Time Operator will only be entitled to paid vacation equivalent to any earned but unused vacation from his/ her last year as a Part Time Operator.
- (i) Part Time Operators will select vacations during January of each year based on their individual seniority. Vacation periods will be based on weeks starting on Mondays and ending on Sundays. Vacation periods will be taken commencing

with the week starting on the first Monday in February of one year and ending with the week starting on the last Monday in January of the following year.

- (j) Notwithstanding the above, should a Part Time Operator be successful to a Full Time Operator posting prior to taking all his/her vacation in the year of appointment, his/her unused, approved, vacation blocks will be offered to those Full Time Operators with vacation blocks remaining in the year by seniority. Notice of the available blocks will be posted on Transit bulletin boards for seven (7) calendar days. On the first (1st) weekday following the posting period, the Operator will be polled for the available blocks by seniority. Should a Full Time Operator select the block available, the new Full Time Operator will lose that block, and the selecting Operator must then immediately advise which approved blocks he/she will release, with the process continuing down the seniority list, with consideration to the vacation blocks available for trade for the balance of the year. The process will be verbal, with Operators contacted by radio, telephone, or in person. Should an Operator not be available for contact during the selection process he/ she will be bypassed.
- (k) The vacation block(s) will be scheduled based on one (1) Part Time Operator being away from work year round. However, two (2) Part Time Operators may be scheduled to satisfy the vacation entitlement as calculated in Article H:21(8)(a), Article H:21(8)(b), Article H:21(8)(c) and Article H:21(8)(d) of this Agreement.
- (l) It is understood by the Parties that it is compulsory for all Part Time Operators to take vacation based on the formula outlined in Article H:21(8)(a), Article H:21(8)(b), Article H:21(8)(c) and Article H:21(8)(d) of this Agreement.

H:21(9) Article C:12 of Schedule "C" shall apply, save that overtime rates for Part Time Operators shall be paid for all hours worked in excess of eight (8) hours in a day and/or forty (40) hours in a week except Flex Shift Crews. Article H:05 - Overtime shall apply to Part Time Operators.

H:21(10) Article H:13 (Uniforms) shall not apply to Part Time Operators. Rather, the following shall apply:

The Employer agrees to supply Part Time Operators with uniforms on the following basis:

Part Time Operators shall be credited with points which may be used to acquire uniforms as per the following formulas:

Seniority points x one hundred (100) / two hundred and sixty (260)
= credited points.

Seniority points shall be calculated from January 1st to December 31st of the preceding year. Only (50%) percent of the points can be carried over from one (1) year to the next, and points may only be carried over for one (1) year.

Uniform articles made available to Part Time Operators for selection shall be the same as articles made available to Full Time Operators.

Upon successful completion of the Part Time Operator's initial training program, the Part Time Operator shall receive:

One (1) 3-in-1 jacket
Two (2) pairs of trousers
Four (4) shirts
Two (2) ties

Ownership of uniforms shall be vested in the Employer.

No unauthorized alterations shall be made to the standard uniform supplied.

Both Parties agree that in the selection of uniforms, all Operators will ensure that they are in possession of one (1) complete standard uniform, as described in Article H:13(1), in good condition.

Tunics will be made available to Operators when required by the Employer in the performance of their duties.

H:22 Minimum Staffing Levels

The Employer is required to employ the number of Full time Operators that is equal to the number of full time pieces of work (i.e. a piece of work totaling forty (40) hours in a workweek, inclusive of flex work).

HLC:02 Hiring Rates For Bus Operators

In recognition of the wage scale (without steps) that existed for Bus Operators under the previous Agreement, it is agreed that when hiring/promoting Bus Operators, they shall not be initially paid below Step 3 of the applicable Pay group for the classification.

HLC:03 Evaluation of Bus Operators

The Parties have agreed to address the treatment of this position (which was formerly outside of any Job Evaluation Plan) in terms of the adequacy of this Job Description and rating, through Collective Bargaining. The agreed upon Job Description is that dated August 24th, 2007, and the agreed upon rating is that dated June 19th, 2002. The Parties agree that these documents will be effective for the term of this Agreement, and the Job Description and Rating shall not be subject to the "Job Implementation and Evaluation Procedures", "Job Challenge Procedures" or Arbitration Procedures of the new Job Evaluation Plan for the term of this Agreement. The Parties agree that the agreed to evaluation for Bus Operators shall not be used as a Benchmark job, or comparator, under the new Job Evaluation Manual.

HLC:04 Exception to Hours Free From Work Agreement

When matching Saturday work the Employer shall attempt to match crews to provide Full Time Operators with earlier end times. This may include matching Tuesday to Friday crew with a Split Shift on Saturday.

The matching of Saturday work will ensure that Full Time Operators will have a minimum of eight (8) hours consecutive hours free from performing work; not eleven (11) consecutive hours free from performing work per Article H:03(1).

HLC:05 Forty Five (45) Minute Lunch Periods

The Employer commits to meet with the Unit Chair or his/her designate and one (1) other Bargaining Unit member prior to the posting of a run bid. The Parties will meet with the goal of eliminating all thirty (30) minute lunch periods (including those with two (2) thirty (30) minute lunch periods) and creating as many forty-five (45) minute lunch periods as possible. This exercise shall not result in an increase in the number of Crews or spare work established by the Employer. In order to achieve this goal, the Parties may agree to increase the number of crews that are assigned work during the second portion of the platform time as per Article H:02(11)(2) but only to a maximum of two-thirds (2/3) of the total number of crews.

HLC:06 Flexible Work Arrangements

In an effort to provide Operators with flexibility to change their work assignments the Parties agree that all Operators may request an alternate crew for any reason. The Employer will endeavor to fulfill as many requests as possible.

The Operators must submit a request not later than one (1) hour prior to the call out times, the request shall not result in an Operator moving from a piece of work to a full crew but may request a smaller piece of work and the request must ensure a minimum eight (8) hour rest period.

The Parties shall meet every June during the life of the Collective Bargaining Agreement to review the process. The Parties agree that such requests will not be subject to the Grievance Procedure.

HLC:07 Current Point System Adjustment

The Parties agree that the current point system must be adjusted to recognize seniority hours earned and as such have agreed to the following:

- Hours and points earned while in the position of Part Time Operator shall remain.
- Additional hours accrued within the terms of this Collective Bargaining Agreement will be converted to points by dividing the hours by eight point five (8.5). Those points will then be added to the Part Time Operator's current total.
- Those hours accrued within the Outside Bargaining Unit and recognized by the Inside Unit shall be converted to points by dividing the hours by eight point five (8.5). Those points will then be added to the Part time Operator's current total.
- The Parties shall meet within thirty (30) days of ratification in order to adjust any points and agree on a start date.

HLC:8 Sign-Up Crews

The Parties agree to establish a Committee with both Unionized and Employer members, in order to review the current Sign Up Crew processes for Full Time and Part Time Operators. The Committee's goal is to establish a more efficient and timely process for completing the Crew Bid process.

HLC:09 Scheduling

The Parties agree to meet twice a year for a period of one (1) week each time in order to develop the most efficient crews which will include but are not limited to up to five (5) steady day/steady afternoon crews and reduced number of flex shifts. The Employer will pay for one (1) Unionized representative to meet with the Employer for up to eighty (80) hours a year. It is further agreed that the Parties will meet for one (1) day prior to each run bid to match crews.

The Parties are permitted to modify work rules including but not limited to lunches, the number of crews with scheduled overtime during the platform time and steady day premiums per Article H:02(3)(a) by mutual agreement in order to achieve the goals of the committee.

LC:02 Training

The Employer and the Union agree that training is an important issue. As a result, the issue of training will be discussed by the Labour-Management Committee with the objective of reviewing the present methods of training, opportunities for training and making joint recommendations concerning training initiatives.

Notwithstanding any provision in the Agreement to the contrary, when an Employee is required to travel outside of normal working hours for purposes of attending training programs outside CGS’ geographic boundaries, the Employee shall be compensated at straight time for travel time. The Employee will have the option of pay or banking of the travel time, to be taken at a time mutually agreed upon between the Employee and his/her Supervisor. Failing mutual agreement, the bank time will be paid out three (3) months after it was accrued.

LC:03 Medical Certificates

Should an Employee on LTD incur over **TWO HUNDRED AND FIFTY (\$250.00) DOLLARS** in medical certificates expenses as required by our LTD carrier over a calendar year, on presentation of receipts to the Health and Safety Section, the Employer will give consideration to reimbursing the amount over **TWO HUNDRED AND FIFTY (\$250.00) DOLLARS**, on verification (with the Employee’s consent) that the carrier required the certificates, and that the Employee was not directed away from the practitioner(s) in question for reasons of cost, and that there were no other circumstances surrounding the case that would make reimbursement inappropriate.

LC:04 Retroactivity of General Wage Increase and Job Evaluation

LC:04(a) General Wage Increase

With respect to the General Wage Increase, the Employer agrees to pay retroactivity on wages paid to the effective date for the first General Wage Increase under this Agreement. Persons who have left the employ of the Employer between April 1st, and the date retroactive pay is paid to active Employees, shall be eligible for retroactive pay, provided he/she left a forwarding address with the Human Resources and Organizational Development Department.

LC:04(b) Job Evaluation

Retroactive pay shall be payable (as applicable) to Employees who resigned their position with CGS, Retirees, and Temporary Employees who have been released, provided the retroactive pay owed exceeds **ONE HUNDRED (\$100.00) DOLLARS** gross, and the former Employee has left a forwarding address with the Employer. No retroactive pay will be due those who acted in relief in a non-posted classification which was subsequently raised in value through the Joint Rating Committee process.

If an Employee's job has changed substantively after their date of assignment, the onus is on the Employee to avail themselves of the challenge procedures in the Job Evaluation Plan.

LC:05 Grand Parenting Payment in Lieu (PIL)

The Employer agrees to grandparent those remaining three (3) Part Time Emergency Services Employees who were receiving twelve (12%) percent Payment in Lieu (PIL) prior to ratification of the 2002 - 2005 Collective Bargaining Agreement, with OMERS carve out (if applicable). Should a grand parented Employee leave the Part Time classification for any reason other than a Limited Posting, their grand parented status for PIL would cease.

LC:06 Modified Work Program

The Parties agree that whenever the Rehabilitation and Claims Specialist of the Human Resources and Organizational Development Department of the Employer is required to consider the accommodation of an Employee, it will give the Union the opportunity to participate in the accommodation process.

The Employer will pay the cost of all medical certification required by the Employer, the WSIB or the Insurance Carrier, in connection with the Employer's Modified Work Program.

LC:07 Grand Parenting Group RRSP Participants and CSB's

The Parties agree to grandparent participation in payroll deduction Group RRSP's to those Employees who participated on the date of ratification of the 2002 - 2005 Collective Bargaining Agreement in the current amounts deducted, per the listing of names provided to the Union on June 13th, 2002. The amounts cannot be adjusted up or down, and should an Employee wish to discontinue their contribution, their grand parented status will cease.

The Parties agree that all Employees may participate in payroll deduction at the local Credit Unions. Employees participating may change the level of payroll deduction one time (1x) per year.

LC:08 Transitional Semi-Private Provision

The Parties agreed to eliminate semi-private and private hospital room coverages from the Plan, effective the first of the month following ratification of the 1996 - 1999 Agreement. All Employees were advised that this coverage is no longer available and if an Employee wants a semi-private or private room, they will pay for same directly. However, where Area Hospitals bill Employees for semi-private or private rooms without the Employee having requested same, those bills will be paid by the Employer on presentation of invoices to the Human Resources and Organizational Development Department, and the issue of improper bills will be taken up by the Employer and the Hospital involved. The issue of improper billing will not exist where only semi-private/private rooms are available and the carrying agency can legally force the premium for the room to be paid. In such instances the premium for the room will be paid by the Employer. This arrangement only applies to semi-private/private rooms and will not be extended to current/future daily fees for chronically ill patients, or other accommodation charges which are not contemplated by our Plan design.

LC:09 Tracking Temporary Employees

The Employer commits to work with the Union to provide more current, regular and meaningful data on the status of Temporary Employees than that already provided under Article 8:02(3) (Listing of Temporary Employees). Automated and remote reporting will be explored as a means of providing quality information without excessively increasing administrative burden.

LC:10 Mediation

The Parties agree that once either party has referred a Grievance to arbitration, a final meeting may be scheduled between the Parties with mutual agreement. The purpose of the meeting will be to determine if a mutually agreeable settlement of the issue can be achieved with the assistance of a Mediator agreed upon by the Parties.

Attendees will include the Co-ordinators of Human Resources, a Representative of the National Union and up to three (3) Employer and Union Executive/Grievance Committee members. The Grievors may attend at the discretion of the Union. There will be no loss of straight time earnings for the three (3) Union Representatives and the Grievor attending the meeting.

LC: 11 Compressed Work Week Program

The Parties agree that the Compressed Work Week Program (CWW) is an arrangement whereby an Employee within a unit or team works the same number of hours within fewer days and earns a subsequent day off.

The Compressed Work Week Programs that the Parties have previously agreed to were established to include the following parameters:

- (a) Participation:** Full Time Employees and any Casual / Seasonal and Regular Part Time Employee on a Limited Job Posting are eligible to participate in Compressed Work Week (CWW) Programs. It is agreed that Temporary Employees will not be permitted to participate in CWW except for Schedule B Employees. Participation in CWW is subject to operational requirements and will be implemented on a unit or team basis. The definition of a unit or team is determined by the Employer. The Employer reserves the right to review or modify the CWW Program at any time. At all times, adequate staff coverage must be available to ensure operational requirements are met.
- (b) Termination:** Employees can terminate their participation in a CWW Program with one (1) week's written notice to the Employer. At its sole discretion, either Party may terminate a CWW Program upon thirty (30) days written notice to the other Party.

- (c) Applications:** Employees will indicate their interest in participating in CWW by submitting a completed form provided by the Employer. Application for participation in a CWW Program can only be made prior to the inception of each block of time for operation of the CWW Program. Blocks of time are mid – January to mid – June and mid – September to mid – December.
- (d) Hours of Work:** A 14/15 day option will be the only schedule. Participating Employees must work an extra thirty (30) minutes daily for fourteen (14) days in order to earn a fifteenth day off with pay. The basic hours of employ for Employees participating in CWW shall be from 8:00 am to 4:30 pm Monday to Friday inclusive, with a one (1) hour unpaid lunch allotted therein. Such additional thirty (30) minutes per day will not be used in the calculation of hours for overtime purposes. Authorized periods of overtime in excess of the basic hours of employ specified herein will be compensated in accordance with Article 14:03 Overtime. A fifteenth day will be the Employee's Earned Day Off (EDO).
- (e) Earned Days Off:** The fifteenth (15th) day will be the Employee's Earned Day Off (EDO). EDO's cannot be banked for future use. EDO's are to be taken on either Monday or Friday subject to operational need. The Employer retains the right to reschedule an EDO based on operational need.
- (f) Paid Holidays:** If the EDO falls on a Paid Holiday, a Monday EDO will be taken on the Tuesday after the Paid Holiday and a Friday EDO will be taken on the Thursday before the Paid Holiday. If a Paid Holiday falls within the fourteen (14) days when an Employee participating in CWW would normally work an additional thirty (30) minutes, the Paid Holiday will not include pay for the additional thirty (30) minutes, rather, the Employee will work the additional thirty (30) minutes on an alternate day during the fourteen (14) day work cycle. The additional thirty (30) minutes may be worked during the lunch hour on one (1) of the days in the fourteen (14) day work cycle. This is the only CWW time that may be made up during the lunch hour.
- (g) W.I. and Vacation Absence:** If an Employee participating in CWW is absent on one of the fourteen (14) days when the Employee would normally work an additional thirty (30) minutes, and the Employee's absence is due to illness or vacation, seven and one-half (7 ½) hours will be deducted from the Employee's W.I. days or vacation days as appropriate.
- (h) Established CWW Programs:** The provisions described in this Letter of Commitment detailed from (a) through (g) inclusive apply to all CWW Programs unless otherwise noted below in the CWW Programs agreed to in the following Sections/Divisions:
- i. Arena Services Section where EDO's are taken on a Tuesday, Wednesday, or Thursday.
 - ii. Children's Services Division where the EDO is to be taken on Friday only.
 - iii. Compliance and Enforcement Section.
 - iv. Corporate Communication and French Language Services Section where Employees must opt in at the time of application to either an 8:00 am to 4:30 pm working day or a 8:30 am to 5:00 pm working day for fourteen (14) days.
 - v. Development Approvals Section where Employees must opt in at the time of application to either a 8:00 am to 4:30 pm working day or a 8:30 am to 5:00 pm working day for fourteen (14) days.
 - vi. Environmental Planning Initiatives Section.
 - vii. Finance Division where Employees must opt in at the time of application to either a 8:00 am to 4:30 pm working day or a 8:30 am to 5:00 pm working day for fourteen (14) days.

- viii. Information Technology Division where Employees must opt in at the time of application to either a 8:00 am to 4:30 pm working day or a 8:30 am to 5:00 pm working day for fourteen (14) days.
- ix. Legal Services Section where Employees must opt in at the time of application to either a 8:00 am to 4:30 pm working day or a 8:30 am to 5:00 pm working day for fourteen (14) days.
- x. Planning Administration Section
- xi. Roads and Transportation Section
- xii. Social Services Division.
- xiii. Traffic and Transportation Section

(i) **CWW Programs:** CWW Programs may be extended to other units or teams where interest in participating is expressed by Employees working in a unit or team. Any additional CWW Programs established outside the parameters included in this Letter of Commitment must be agreed to by the Parties. Requests to implement a new CWW Program will not be unreasonably denied.

LC:12 Municipal Elections

The Parties agree that during a Municipal Election the Employer will put out a call for volunteers to provide general administrative support to the election process with an option to invoke Article 4:01 if necessary. Employees understand that they will be required to work more than their regular hours of work. Employees will be compensated with straight time pay for their regular hours of work and receive a day in lieu as total additional compensation. The lieu day will be granted as time off as mutually agreeable between the Employee and his/her immediate Supervisor.

Employees who volunteer to work at the advanced poll on anything other than a regular work day will receive a day in lieu as total compensation. There will be no pay for the advanced poll day.

LC:13 Apprenticeship Programs

The Parties support apprenticeship as an effective form of training which addresses the needs of Employers, by helping build a skilled labour force, and workers, who learn necessary skills. In the event that the Parties agree there is a need to develop an Apprenticeship Program, the Parties agree to meet and develop a program which may include the following components:

- Pay and/or reimbursement for tuition, certification and/or affiliation
- Job Posting provisions
- Special arrangements with the relevant College and/or educational institution
- Other sources of funding for the apprentice(s) and/or program(s) including but not limited to the Provincial and Federal Government.

LC:14 Contracting In Process

The Parties are committed to creating the conditions for reducing the amount of operating work in the scope of positions in the bargaining unit currently performed by outside contractors. It is agreed that there are circumstances where work is currently being performed by contractors that could be performed more effectively and at a lower cost by CGS Employees.

The Parties will meet to evaluate priority operating projects currently being performed by contractors which could result in increased efficiency and decreased cost to the Employer. The Employer will notify the Union of the expiry of these priority contracts no later than two (2) months prior to their expiry. The Parties will meet to evaluate the potential for CGS Employees to perform the work of these priority contracts and set targets for the amounts of work that could be contracted in.

LC:15 Benefits Optimization

During 2013 Collective Bargaining Agreement negotiations, the Employer raised a concern about overall Employee health, wellness and attendance at work. The Employer is interested in creating a benefits strategy for CGS based upon the optimal mix of benefits to support the current challenges it faces with respect to increasing absenteeism and utilization of weekly indemnity and short and long term disability.

To this end, the Employer has invited the participation of one (1) CUPE representative from each of the Inside and Outside Units to consider research into the subjects of attendance and benefits plan design and assist in generating options toward the development of a benefits strategy. The purpose of these discussions is to generate recommendations for benefits optimization for consideration by the Parties' respective principles.

These recommendations may then be considered by the Parties at subsequent rounds of Collective Bargaining Agreement negotiations.

LC:16 Annual Reviews

The Parties agree to change the Annual Review process of affixing JAN or JULY to an Employee's anniversary date. In doing so, the Parties agree this change will apply to all new Employees, Employees who have already reached Step 5 of the pay scale, and for Employees who are successful to a permanent Job Posting at a higher pay group.

LC:17 Conversion of Seasonal Status for Inside Unit Swim Instructor/Lifeguards

The Employer commits to eliminate the seasonal status of Swim Instructor/Lifeguards and post the vacancies as casual at the beginning of the next season following ratification. The Parties agree that the conversion to casual status does not restrict the right to regularly schedule the incumbents in the above noted classification.

LC:18 Field Educator and Program Co-ordinator

During the 2016 Collective Bargaining Agreement negotiations, the Employer raised a concern about the need to provide educational awareness to the citizens of Greater Sudbury in an effort to reduce and divert solid waste. During the length of this Agreement, should Council approve the creation of a new Full Time position, Field Educator and Program Co-Ordinator, who will be required to provide educational awareness outside of the normal working hours of 8:30 a.m. to 4:30 p.m., Monday to Thursday, it is agreed that the Employee can be scheduled to work one (1) afternoon shift per week from 1:00 p.m. to 9:00 p.m. for the purposes of meeting with homeowners and attending community meetings or events. This may also include working a day shift on a Saturday or Sunday, no more than five (5) times per year with a minimum of two (2) weeks' notice.

It is understood that Employees will be paid shift differential in accordance with Article 14:05(1).

LC:19 Water/Wastewater By-Law Compliance Officers

The Parties agree to a Shift Schedule Trial for Employees in the classification of W/WW By-Law Compliance Officer for the life of the 2016-2019 Collective Bargaining Agreement.

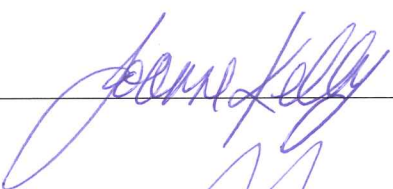

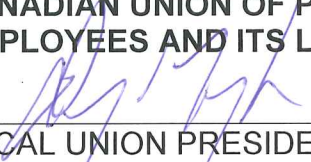

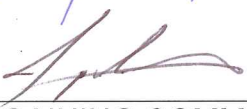

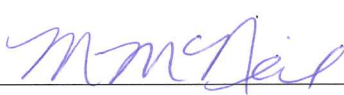

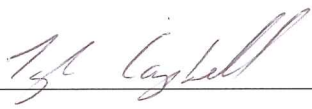

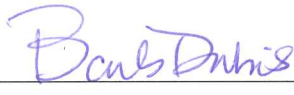

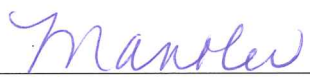

The Employer may schedule a week of afternoon shifts provided a minimum of one (1) week notice is given to the affected Employees. An Employee will not be scheduled to work afternoon shift more than eight (8) weeks per year and not more than two (2) weeks per month. Should an affected Employee not receive two (2) weeks notice of a change to the shift schedule or change of their shift within the schedule, the Employee shall be paid time and one half (1 1/2x) for those hours worked which infringe upon the two (2) weeks' notice period.

It is understood that Employees will be paid shift differential in accordance with Article 14:05(1).

LC:20 Community Assistance

When CGS personnel are requested to assist another community in the event of an emergency, Employees will be canvassed to volunteer to assist. Employees who are not scheduled to work during the relevant period will be canvassed first by seniority. If more workers are required, Employees who are scheduled to work will be canvassed by seniority and subject to operational requirements. Nothing in this LC precludes the Employer from deploying Non Union staff to assist in the emergency.
